

Dear Friends,

The holiday of Pesach is fast-approaching. Below you will find a form for selling your *chameitz*. Please send it back to the office as early as possible.

Pesach is the time that G-d transformed us from being slaves into a nation. However, the term that the Torah uses in describing us as a nation is not *Am Yisrael* The Nation of Israel, but rather *B'nei Yisrael* The Children of Israel. This is because we are more than a nation; we are the children of Israel, the descendants of the same parents and that makes us a family.

As you know, Pesach is a very costly holiday. There is an age-old custom to help others in our 'family', both local and abroad, to off-set the costs of celebrating the holiday. I encourage you to continue this beautiful tradition by contributing to one of the many fine charities that exist. As rabbi of our Synagogue, I oversee Ner Tamid's Pulpit Fund, and as a representative of its members, distribute funds to those in need. At this time, I ask you to consider donating to the Pulpit fund to continue Ner Tamid's legacy as a charitable institution that is invested in the needs of the broader community.

Sincerely,

Rabbi Yisrael Motzen
